

# REITSPORT BRANCHE RETAILER AWARD 2024 POWERED BY SPOGA HORSE STAR-STRUCK

The Reitsport BRANCHE Retailer Award powered by spoga horse is increasingly becoming a networking event for national and international equestrian retailers who are keen to exchange ideas and learn from each other. Apart from the festive award ceremonies on THE STAGE, this can also

be attributed to the relaxed champagne reception before the actual award ceremony, which is organised by Reitsport BRANCHE. A perfect warm-up for all participants before heading up to the "big stage".

Huge joy among the winners of this year's awards on the big stage. On the right: project manager Jessica Kaup and spoga horse director Bernd Voss
